6 March 2025 (Pretoria)

Pursuant to the much-publicised financial difficulties experienced by Royal AM Football Club (Pty) Ltd (under curatorship of Mr Venter N.O.), the Directorship of the Royal AM Football Club (Pty) Ltd, the management thereof and the Curator *Bonis* have agreed to market and offer for sale the rights, title and interests of Royal AM Football Club (Pty) Ltd in the football club, Royal AM FC, to the open market. On 17 February 2025, an order was obtained by agreement, from the High Court (Kwa-Zulu Natal Local Division, Durban) under case no D13795/2024, *inter alia* authorising the Curator *Bonis* to market and offer for sale, the rights, title and interests of Royal AM Football Club (Pty) Ltd in the Football Club known as Royal AM FC.

The Curator *Bonis* is endeavouring to achieve the maximum realisable value for the asset and considers the aforementioned decision to be in the best interests of the football club and in particular, the professional football players who ply their trade under the banner of Royal AM FC.
